

Passenger & Materials Construction Hoist

Rapid Hoists are a national service provider for construction hoists available across the UK, Offering one of the newest fleets in the UK along with its program of investment means we can rapidly respond to any of your needs.

The GEDA 500 Z/ZP hoist an indispensable aid for rapid assembly of scaffolding as well as for the subsequent work at the construction site. With two separate controls, it can be used simply as a material hoist or as a transport platform for passengers and materials. A lifting speed of 24 m/min in material mode and 12 m/min in passenger mode ensures rapid construction progress.
